Membership

New membership letter went out and seems to be a success. We have half of last years number of sponsorships in (to date) but have collected same amount of sponsorship monies.

November 9th meeting David Foster will be present to discuss report cards.

Budget

Budget was voted on and a budget for each school totaling \$20,235 was passed. Mitchell School approved for \$8,405 and Shapliegh School approved for \$8,630. Other monies were approved for \$3,200. The approved budget will be posted on the PTA website itemized for detailed explanation of approved monies.

Need to develop a new budget strategy and find new fundraising ideas.

Current budget shows 10,000K.

New Business

Teams / Committees

It was discussed that we may need a team focus on approaching local business to help sponsor Kittery PTA events or fundraising opportunities.

Kittery PTA banner needed: logo, wording and printing team. Prior suggestions "Building Bridges" "Supporting Kids" or going out to the kids to come up with a logo. Lori Page will speak with banner printing company in Portland, might be able to get a banner donated! Need to develop the signage and get final banner approved with PTA Board.

Next Meeting

Next meeting to be held on Oct. 17th to discuss the fundraising opportunities needed to fulfill the budget.
